

Filtered by All Plants Sorted by Type of Plant

Plant ID #	Common name	- Color	(Botanical Name)	'Cultivar'	light, Moisture, Bloom time, Height, Type, Notes
577	Bachelor Button		(Centaurea cyanus)		Dry, Sum.Fall, 24" to 36", Annual, AKA Cornflower. Invasive
578	Celery		(Apium graveolens)		Summer, 06" to 12", Annual
590	Marigold		(Tagetes)		Sum.Fall, 06" to 12", Annual
594	Pansy		(Viola tricolor spp. hortensis)		Spring, 06" & under, Annual
595	Parsley		(Petroselinum crispum)		Summer, 12" to 24", Annual
119 *	Sedium		'Autum Joy'		Sum.Fall, 12" to 24", Annual, No botanical in spreadsheet
617	Sunflower		(Helianthus annus)		Sun, Average to Moist, Summer, 48" & over, Native Annual, S
599	Sunflower - Mexican		(Tithonia rotundifolia)		Summer, 48" & over, Annual, MS
600	Thyme - Caraway		(Thymus herba - barona)		Spr.Sum., 06" & under, Annual
451	Foxglove, Beardtounge		(Penstemon digitalis)		Sun, Dry to Average, Early Summer, 48" & over, Native Biennial, Fox
615	Geranium		(Geranium robertianum)	'Robert'	Sun to Part Sun, Early Summer, 06" & under, Biennial, Ger-R
204	Fern - Eastern Hayscented		(Dennstaedtia punctilobula)		Part Shade to Shade, Dry to Moist, Non-blooming, Native Fern
208	Fern - Interrupted		(Osmunda claytoniana)		Part Shade to Shade, Moist to Wet, Non-blooming, Native Fern
205	Fern - Marginal Wood		(Dryopteris marginalis)		Part Shade to Shade, Dry to Moist, Non-blooming, Native Fern
202	Fern - Northern Lady		(Athyrium angustum)		Part Shade to Shade, Average to Moist, Non-blooming, Native Fern
203	Fern - Northern Lady		(Athyrium filix-femina)		Part Shade to Shade, Average to Moist, Non-blooming, Native Fern
209	Fern - Royal		(Osmunda regalis var. spectabilis)		Sun to Shade, Moist to Wet, Non-blooming, Native Fern
207	Fern - Sensitive		(Onoclea sensibilis)		Sun to Shade, Moist to Wet, Non-blooming, Native Fern
591	Nasturtium		(Tropaeolum)		Summer, 06" to 12", Fern
214	Grass - Appalachian Sedge		(Carex appalachica)		Sun to Part Shade, Dry to Moist, Non-blooming, Native Grass / Sedge
212	Grass - Big Blue Stem		(Andropogon gerardii)		Sun, Dry to Moist, Non-blooming, Native Grass / Sedge
213	Grass - Bushy Bluestem		(Andropogon glomeratus)		Sun, Average to Wet, Non-blooming, Native Grass / Sedge
215	Grass - Fringed Sedge		(Carex crinita)		Sun to Part Shade, Moist to Wet, Non-blooming, Native Grass / Sedge

Filtered by All Plants Sorted by Type of Plant

Plant ID #	Common name	- Color	(Botanical Name)	'Cultivar'	light, Moisture, Bloom time, Height, Type, Notes
226	Grass - Indian		(Sorghastrum nutans)		Sun, Dry to Average, Non-blooming, Native Grass / Sedge
223	Grass - Northern Switch		(Panicum virgatum)	'Heavy Metal'	Sun, Dry to Average, Non-blooming, Native Grass / Sedge
222	Grass - Path Rush		(Juncus tenuis)		Sun to Part Shade, Moist to Wet, Non-blooming, Native Grass / Sedge
217	Grass - Pennsylvania Sedge		(Carex pensylvanica)		Sun to Part Shade, Dry to Moist, Non-blooming, Native Grass / Sedge
227	Grass - Prairie Dropseed		(Sporobolus heterolepis)		Sun, Dry to Average, Non-blooming, Native Grass / Sedge
221	Grass - Purple Love		(Eragrostis spectabilis)		Sun, Dry to Average, Non-blooming, Native Grass / Sedge
216	Grass - Sedge Bristle-leaved		(Carex eburnea)		Sun to Part Shade, Average to Moist, Non-blooming, Native Grass / Sedge
218	Grass - Sedge Broad-leaved - Silver		(Carex platyphylla)		Part Sun to Shade, Average to Moist, Non-blooming, Native Grass / Sedge
224	Grass - Switch		(Panicum virgatum)		Sun, Dry to Average, Non-blooming, Native Grass / Sedge
220	Grass - Wavy Hair		(Deschampsia flexuosa)		Sun to Part Shade, Average to Wet, Non-blooming, Native Grass / Sedge
219	Grass - Woodoats, Northern Sea Oats, River Oats		(Chasmanthium latifolium)		Sun to Part Shade, Dry to Moist, Non-blooming, Native Grass / Sedge
156 *	Ajuga		(Ajuga reptans)		Sun to Part Sun, 06" & under, Ground cover, Outer cicle
437	Mint - American Wild		(Mentha canadensis)		Sun, Average to Moist, Summer, 12" to 24", Native Ground cover, Mi
641	Myrtle - creeping periwinkle		(Vinca minor)		Sun to Part Sun, Spring, 06" & under, Ground cover, Vin
638	Nettle - Stinging		(Urtica dioica)		Early Summer, 24" to 48", Ground cover, N
605	Anemone		(Anemone)		Sun to Part Sun, Dry to Moist, Fall, Native Perennial, Anem
348	Anemone - Canada		(Anemone canadensis)		Sun to Part Shade, Dry to Moist, Summer, Native Perennial, Anem
339	Anise Hyssop		(Agastache foeniculum)		Sun to Part Shade, Dry to Average, Summer, 24" to 36", Native Perennial, AH
422	Aster - Flax-leaf Ankle, Stiff-leafed		(Ionactis linariifolia)		Sun, Dry, Fall, Native Perennial

Filtered by All Plants Sorted by Type of Plant

Plant ID #	Common name	- Color	(Botanical Name)	'Cultivar'	light, Moisture, Bloom time, Height, Type, Notes
509	Aster - New England	American	(Symphotrichum novae-angliae)		Sun, Moist, Fall, 24" - 48", Native Perennial, A-NE
510	Aster - New York	American	(Symphyotrichum novi-belgii)		Sun, Dry to Moist, Fall, Native Perennial
393	Aster - White Wood		(Eurybia divaricata)		Part Sun to Shade, Dry to Average, Late Summer, 12" to 24", Native Perennial, A-WW
607	Astibe - Pink		(Astibe)		Part Sun to Shade, Summer, 12" to 24", Perennial, As
608	Astibe - White		(Astibe)		Part Sun to Shade, Summer, 12" to 24", Perennial, As
442	Bee Balm - Crimson		(Monarda didyma)	'Jacob Kline'	Sun, Average to Moist, Summer, 24" to 48", Native Perennial, BB
627	Bee Balm - Pink		(Monarda didyma)		Sun, Average to Moist, Summer, 24" to 48", Native Perennial, BB
628	Bee Balm - Violet		(Monarda didyma)		Sun, Average to Moist, Summer, 24" to 48", Native Perennial, BB
445	Bee Balm - Spotted		(Monarda punctata)		Sun, Dry to Average, Summer, 12" to 36", Native Perennial, BBs
444	Bee Balm - Wild Bergamot, Basil Bee-balm		(Monarda fistulosa ssp. fistulosa)		Sun, Average to Moist, Summer, Native Perennial
560	Black Eyed Susan		(Rudbeckia hirta)		Sun to Part Sun, Summer, 12" to 36", Native Perennial, BeS
614	Blanket Flower		(Gaillardia)		Sun, Summer, 12" to 36", Perennial, BF
559	Blazing Star		(Liatris scariosa)		Sun to Part Shade, Native Perennial
625	Bleeding heart		(Lamprocapnos dicentra spectabilis)		Part Sun to Shade, Spring, 24" to 36", Perennial, BH
383	Bleeding-heart - Fringed		(Dicentra eximia)	'Turkey Corn'	Sun to Part Shade, Dry to Moist, Summer, Native Perennial
438	Bluebells - Virginia		(Mertensia virginica)		Part Shade to Shade, Dry to Moist, Spring, Native Perennial
392	Boneset - Thoroughwort		(Eupatorium perfoliatum)		Sun to Part Sun, Average to Wet, Fall, 48" & over, Native Perennial, AKA Joe-Pye Weed Bone
430	Cardinal Flower		(Lobelia cardinalis)		Sun to Part Shade, Moist to Wet, Summer, Native Perennial
104 *	Columbine		(Aquilegia)		Sun to Part Sun, Early Summer, 12" to 24", Perennial, Co
353	Columbine - Red		(Aquilegia canadensis)	'Canada'	Sun, Dry to Average, Spring, Native Perennial
556	Coneflower - Purple		(Echinacea purpurea)		Sun to Part Shade, Summer, 48" & over, Native Perennial
634	Curly Dock		(Rumex crispus)		Sun to Part Shade, Summer, 24" to 36", Perennial, Do
604	Daisy - Gloriosa		(Rudbeckia hirta)		Sun to Part Sun, Dry to Moist, Summer, 12" to 36", Native

				Perennial, AKA Black Eyed Susan GD
629	Daisy - Montauk	(Nipponanemum nipponicum)		Sun, Fall, 12" to 36", Perennial
598	Daisy - Shasta	(Leucanthemum)		Sun to Part Sun, Sum.Fall, 24" to 48", Perennial, Sh
581	Daisy, common	(Bellis perennis)		Sun to Part Sun, Early Summer, 12" to 24", Perennial, AKA Early ED
619	Daylily	(Hemerocalus fulva)		Sun to Part Sun, Early Summer, 24" to 36", Perennial, Day
101 *	Dianthus	(Dianthus gratianopolitanus)		Sun, Early Summer, 06" to 24", Perennial, D
382	Dutchman's Breeches	(Dicentra cucullaria)		Part Shade, Average to Moist, Spring, Native Perennial
211	Fern - Christmas	(Polystichum acrostichoides)		Part Shade to Shade, Dry to Moist, Non-blooming, Native Perennial
210	Fern - Cinnamon	(Osmundastrum cinnamomeum)		Part Shade to Shade, Moist to Wet, Non-blooming, Native Perennial
206	Fern - Fiddlehead, Ostrich	(Matteuccia struthiopteris)		Sun to Shade, Average to Wet, Non-blooming, Native Perennial
201	Fern - Northern Maidenhair	(Adiantum pedatum)		Part Shade to Shade, Average to Moist, Non-blooming, Native Perennial
616	Geranium	(Germanium sanguineum)	'Cranesbill'	Sun to Part Sun, Early Summer, 12" to 24", Native Perennial, Ger
403	Geranium - Spotted Crane's-bill, Wild	(Geranium maculatum)		Sun to Part Shade, Dry to Average, Spring, Native Perennial
526	Globeflower - American, Spreading	(Trollius laxus ssp. laxus)		Sun to Part Shade, Moist to Wet, Spring, Native Perennial
370	Golden Star, Green and Gold, Golden-knees	(Chrysogonum virginianum)		Sun to Shade, Dry to Average, Spring, Native Perennial
561	Goldenrod	(Solidago spp.)		Sun to Part Sun, Late Summer, 36" to 48", Native Perennial, G
225	Grass - Little Bluestem	(Schizachyrium scoparium var. scoparium)		Sun, Dry to Average, Non-blooming, Native Perennial
583	Hollyhock	(Alcea rosea)		Sun to Part Sun, Summer, 48" & over, Perennial, lo
620	Hosta	(Hosta)		Part Sun to Shade, Summer, 12" to 24", Perennial, H
361	Indigo - Blue Wild	(Baptisia australis)		Sun, Dry to Average, Summer, Native Perennial
361	Indigo - Wild	(Baptisia australis)		Sun to Part Shade, Native Perennial
584	Iris - Bearded			Spring late, 24" - 48", Perennial, No botanical on spreadsheet

Filtered by All Plants Sorted by Type of Plant

Plant ID #	Common name	- Color	(Botanical Name)	'Cultivar'	light, Moisture, Bloom time, Height, Type, Notes
585	Iris - Bearded			'Fairy ring'	Spring late, 06" to 12", Perennial, no botanical on spreadsheet
586	Iris - Bearded			'Dark waters'	Spring late, 12" to 24", Perennial, no botanical on spreadsheet
623	Iris - bearded	- Yellow	(Iris)		Sun, Early Summer, 24" to 48", Perennial, I-B
123 *	Iris - Siberian		(Iris)		Sun to Part Sun, Early Summer, 36", Perennial, I-Sib
587	Iris - Siberian			'China spring'	Spring late, 24" - 48", Perennial, No botanical on spreadsheet
531	Ironweed - New York		(Vernonia noveboracensis)		Sun, Moist to Wet, Late Summer, 48" & over, Native Perennial, Iron
355	Jack-in-the-pulpit		(Arisaema triphyllum)		Part Shade to Shade, Average to Wet, Spring, Native Perennial
470	Jacob's Ladder		(Polemonium reptans)	'Touch of Class'	Sun to Part Shade, Average to Moist, Spring, Native Perennial
566	Jacob's Ladder		(Polemonium reptans)	'Stairway to Heaven'	Sun to Part Shade, Average to Moist, Spring, Native Perennial
633	Jacob's Ladder		(Polemonium reptans)		Sun to Part Sun, Average to Moist, Spring, 12" to 24", Native Perennial, JL
398	Joe-pye Weed - Dwarf, Spotted		(Eutrochium maculatum)		Sun to Part Sun, Average to Wet, Late Summer, 36" to 48", Native Perennial, JPWs
557	Joe-pye Weed - Hollow		(Eutrochium fistulosum)		Sun to Part Shade, Native Perennial
558	Joe-pye Weed - Sweet		(Eutrochium purpureum)		Sun to Part Shade, Native Perennial, JPW
432	Lupine - Blue		(Lupinus perennis)		Sun to Part Shade, Native Perennial
432	Lupine - Sundial		(Lupinus perennis spp. perennis)		Sun, Dry to Average, Summer, Native Perennial
417	Mallow - Swamp Rosemallow		(Hibiscus moscheutos)		Sun, Moist to Wet, Fall, Native Perennial
626	Maltese cross		(Lychnis chalcidonic)		Sun to Part Shade, Early Summer, 36" to 48", Perennial, MC
469	Mayapple - American		(Podophyllum peltatum)		Part Shade to Shade, Average to Moist, Spring, Native Perennial
360	Milkweed - Butterfly Weed		(Asclepias tuberosa)		Sun, Dry, Summer, Native Perennial
359	Milkweed - Common		(Asclepias syriaca)		Sun, Dry to Average, Summer, 12" to 36", Native Perennial
358	Milkweed - Swamp		(Asclepias incarnata)		Sun to Part Sun, Average to Wet, Summer, Native Perennial
476	Mint - American Mountain		(Pycnanthemum virginianum)		Sun, Average to Moist, Summer, 12" to 36", Native Perennial, Mi-M

Filtered by All Plants Sorted by Type of Plant

Plant ID #	Common name - Color (Botanical Name) 'Cultivar'	light, Moisture, Bloom time, Height, Type, Notes
474	Mint - Clustered, Mountain, Broad-leaved (Pycnanthemum muticum)	Sun, Average to Moist, Summer, Native Perennial
631	Phlox - Garde Pink and White (Phlox paniculata)	Sun to Part Shade, Average to Moist, Summer, Native Perennial, Ph
564	Phlox - Wild - Blue (Phlox divaricata) 'Blue Moon'	Shade/Part Shade, Native Perennial
453	Phlox - Wild, Woodland, Wild Sweet William - Blue (Phlox divaricata)	Part Sun to Shade, Average to Moist, Early Summer, 12" to 24", Native Perennial, PhW
632	Plantain - English (Plantago lanceolata)	Sun, Summer, 06" & under, Perennial, Pl
447	Prickly Pear Cactus (Opuntia spp. humifusa)	Sun, Dry, Early Summer, 06" to 24", Native Perennial, Ca
351	Pussytoes - Field (Antennaria neglecta)	Sun, Dry, Spring, Native Perennial
622	Sedum (Hylotelephium herbstfreude) 'Autum Joy'	Sun to Part Sun, Fall, 18" to 24", Perennial, Se
621	Sedum - creeping - Red (Hylotelephium)	Sun to Part Sun, Fall, Perennial, Se
493	Senna - Wild (Senna hebecarpa)	Sun, Dry to Average, Summer, Native Perennial
408	Sneezeweed (Helenium autumnale)	Sun, Average to Moist, Summer, Native Perennial
565	Solomon's seal (Polygonatum commutatum)	Shade/Part Shade, Native Perennial
562	Spiderwort (Tradescantia ohiensis)	Sun to Part Sun, Early Summer, 12" to 24", Native Perennial, Sp
635	Stitchwork - Lesser (Stellaria graminea)	Sun, Summer, 12" to 24", Perennial, St-L
492	Stonecrop - Wild, Woodland Stonecrop (Sedum ternatum)	Sun to Shade, Dry to Moist, Spring, Native Perennial
618	Sunflower (Heliopsis helianthoides) 'Oxeye'	Sun, Dry to Average, Summer, 48" & over, Native Perennial, DES
612	Thistle (Cirsium vulgare) 'Bull'	Sun, Late Summer, 12" to 24", Perennial, Th
373	Tickseed - Thread-leaved (Coreopsis verticillata) 'Zagreb'	Sun to Part Sun, Dry to Average, Early Summer, 12" to 36", Native Perennial, T
368	Turtlehead - White (Chelone glabra)	Sun to Part Shade, Moist to Wet, Fall, Native Perennial
369	Turtlehead - Pink (Chelone lyonii (GITW only)) 'Hot Lips'	Sun to Part Sun, Moist to Wet, Fall, 24" to 36", Native Perennial
563	Violet - Common - Blue (Viola sororia)	Part Sun to Shade, Early Summer, 06" to 12", Native Perennial, Vi
603	Yarrow (Achillea millefolium)	Spr.Sum., 12" to 24", Perennial
574	Chives (Allium schoenoprosom)	Early Summer, 12" to 24", Perennial Herb, Ch

575	Garlic Chives		(Allium tuberosum)		Late Summer, 12" to 24", Perennial Herb, Ch-G
592	Oregano		(Oreganum vulgare)		Summer, 12" to 24", Perennial Herb, O
630	Quinine - Wild		(Parthenium integrifolium)		Sun, Late Summer, 18" to 24", Native Perennial Herb, Q
637	Tansy		(Tanacetum vulgare)		Sun, Late Summer, 36" to 48", Perennial Herb, Ta
609	Azelea		(Azelea)		Part Sun to Shade, Spring, 12" to 24", Shrub, Az
624	Beauty bush		(Kolkwitzia amabilis)		Sun, Early Summer, 48" & over, Shrub, Beau
573	Butterfly Bush		(Buddleja davidii)		Sum.Fall, Up to 16', Shrub, Not on native plant list
576	Butterfly Bush		(Buddleja davidii)	'Blue chip'	Sum.Fall, 12" to 24", Shrub, Not on native plant list. Dwarf
610	Butterfly Bush - Magenta		(Buddleja davidii)		Sun, Late Summer, 12" to 24", Shrub, BBU
611	Butterfly Bush - Pink		(Buddleja davidii)		Late Summer, 12" to 24", Shrub, BBU
613	Clethra		(Clethra alnifolia)	'Ruby spice'	Sun to Shade, Average to Wet, Summer, 48" & over, Native Shrub, Cle
636	Lilac		(Syringa)		Sun to Part Sun, Spring, 48" & over, Shrub, L
244	Shrub - American Hazelnut		(Corylus americana)		Sun to Part Shade, Dry to Average, Spring, Native Shrub
554	Shrub - Arrowwood		(Viburnum dentatus)		Native Shrub
238	Shrub - Atlantic White Cedar		(Chamaecyparis thyoides)	'Andelye Conica'	Sun to Part Shade, Average to Wet, Non-blooming, Native Shrub
290	Shrub - Azalea - Clammy		(Rhododendron viscosum)		Sun to Part Shade, Average to Wet, Spring, Native Shrub
280	Shrub - Azalea - Coastal, Dwarf Azalea		(Rhododendron atlanticum)		Sun to Part Shade, Average to Moist, Spring, Native Shrub
281	Shrub - Azalea - Flame		(Rhododendron calendulaceum)		Sun to Part Shade, Average to Moist, Spring, Native Shrub
286	Shrub - Azalea - Pink Azalea, Pinxterbloom		(Rhododendron periclymenoides)		Sun to Part Shade, Average to Moist, Spring, Native Shrub
289	Shrub - Azalea - Pink Shell		(Rhododendron vaseyi)		Sun to Part Shade, Average to Moist, Spring, Native Shrub
288	Shrub - Azalea - Plumleaf		(Rhododendron prunifolium)		Part Shade to Shade, Average to Moist, Summer, Native Shrub
287	Shrub - Azalea - Roseshell		(Rhododendron prinophyllum)		Part Shade to Shade, Average to Moist, Spring, Native Shrub
279	Shrub - Azalea - Sweet, Smooth Azalea		(Rhododendron		Sun to Part Shade, Average to Moist, Spring, Native Shrub

271	Shrub - Leucothoe - Variegated (Leucothoe) 'Silver Run'	Part Shade to Shade, Dry to Moist, Spring, Native Shrub
270	Shrub - Leucothoe, Drooping, Compact Drooping (Leucothoe fontanesiana)	Part Shade to Shade, Dry to Moist, Spring, Native Shrub
263	Shrub - Maritime Marsh-elder (Iva frutescens)	Sun, Moist to Wet, Fall, Native Shrub
303	Shrub - Meadowsweet - White (Spiraea alba)	Sun to Part Shade, Average to Wet, Summer, Native Shrub
551	Shrub - Meadowsweet (Spiraea latifolia)	Native Shrub
304	Shrub - Meadowsweet - Rosy (Spiraea tomentosa) 'Steeplebush'	Sun to Part Shade, Average to Wet, Summer, Native Shrub
274	Shrub - Myrtle - Bog, Sweet Gale (Myrica gale)	Sun, Average to Wet, Spring, Native Shrub
319	Shrub - Nannyberry (Viburnum lentago)	Sun to Part Shade, Average to Moist, Spring, Native Shrub
236	Shrub - New Jersey Tea (Ceanothus americanus)	Sun to Part Sun, Dry, Early Summer, 12" to 36", Native Shrub
275	Shrub - Ninebark - Atlantic (Physocarpus opulifolius)	Sun to Part Shade, Dry to Moist, Summer, Native Shrub
240	Shrub - Pepperbush - Coastal Sweet (Clethra alnifolia)	Sun to Part Shade, Average to Wet, Summer, Native Shrub

Plant ID #	Common name	- Color	(Botanical Name)	'Cultivar'	light, Moisture, Bloom time, Height, Type, Notes
300	Shrub - Pussy Willow		(Salix discolor)		Sun to Part Shade, Average to Wet, Spring, Native Shrub
298	Shrub - Raspberry - Red		(Rubus idaeus)		Sun to Part Shade, Dry to Average, Summer, Native Shrub
299	Shrub - Raspberry - Flowering		(Rubus odoratus)		Sun to Part Shade, Dry to Average, Summer, Native Shrub
285	Shrub - Rhododendron, grow-low 'Independence'		(Rhododendron maximum)		Part Shade to Shade, Dry to Wet, Summer, Native Shrub
282	Shrub - Rhodora		(Rhododendron canadense)		Sun to Part Shade, Average to Wet, Spring, Native Shrub
283	Shrub - Rhodora - White		(Rhododendron canadense)	'Alba'	Sun to Part Shade, Average to Wet, Spring, Native Shrub
296	Shrub - Rose - Carolina		(Rosa carolina)		Sun, Dry to Moist, Summer, Native Shrub
297	Shrub - Rose - Virginia		(Rosa virginiana)		Sun, Dry to Moist, Summer, Native Shrub
245	Shrub - Shrubby Cinquefoil		(Dasiphora floribunda)	'Abbotswood'	Sun to Part Shade, Dry to Average, Summer, Native Shrub
272	Shrub - Spicebush - Northern		(Lindera benzoin)		Sun to Shade, Average to Wet, Spring, 48" & over, Native Shrub, Lin
291	Shrub - Sumac - Fragrant		(Rhus aromatica)		Sun to Part Shade, Dry to Average, Non-blooming, Native Shrub
292	Shrub - Sumac - Fragrant		(Rhus aromatica var. aromatica)		Sun to Part Shade, Dry to Average, Non-blooming, Native Shrub
294	Shrub - Sumac - Smooth		(Rhus glabra)		Sun to Part Shade, Dry to Average, Summer, Native Shrub
295	Shrub - Sumac - Staghorn		(Rhus typhina)		Sun to Part Shade, Dry to Average, Non-blooming, Native Shrub
293	Shrub - Sumac - Winged		(Rhus copallinum)		Sun to Part Shade, Dry to Average, Non-blooming, Native Shrub
243	Shrub - Sweet Fern		(Comptonia peregrina)		Sun to Part Shade, Dry to Average, Spring, Native Shrub
242	Shrub - Sweet Pepperbush		(Clethra alnifolia)	'Pink Spires'	Sun to Part Shade, Average to Wet, Summer, Native Shrub
249	Shrub - Teaberry - Eastern, Boxberry, American Wintergreen (Gaultheria procumbens)				Part Shade to Shade, Dry to Moist, Summer, Native Shrub
323	Shrub - Viburnum - Blackhaw, Smooth Blackhaw		(Viburnum prunifolium)		Sun to Part Shade, Dry to Average, Summer, Native Shrub
318	Shrub - Viburnum - Mapleleaf		(Viburnum acerifolium)		Sun to Shade, Dry to Moist, Spring, Native Shrub
320	Shrub - Viburnum - Witherod		(Viburnum nudum var. cassinoides)		Sun to Part Shade, Average to Moist, Summer, Native Shrub
553	Shrub - Viburnum - Witherod		(Viburnum cassinoides)		Native Shrub

262	Shrub - Virginia Sweetspire (Itea virginica)	Sun to Part Shade, Dry to Moist, Summer, Native Shrub
276	Shrub - White Pine - Low Mound (Pinus strobus)	Sun, Dry to Average, Non-blooming, Native Shrub
261	Shrub - Winterberry - Bright Female - Red (Ilex verticillata)	Sun to Part Shade, Average to Wet, Summer, Native Shrub
258	Shrub - Winterberry - Common (Ilex verticillata)	Sun to Part Shade, Average to Wet, Summer, Native Shrub
259	Shrub - Winterberry - Compact (Ilex verticillata) 'Red Sprite'	Sun to Part Shade, Average to Wet, Summer, Native Shrub
260	Shrub - Winterberry - Male (Ilex verticillata) 'Southern Gentleman'	Sun to Part Shade, Average to Wet, Summer, Native Shrub
250	Shrub - Witch Hazel - Common (Hamamelis virginiana)	Sun to Part Sun, Average to Wet, Fall, 06" to 12", Native Shrub, Wit
321	Shrub - Witherod - Smooth, Possumhaw (Viburnum nudum) 'Winterthur'	Sun to Part Shade, Average to Moist, Summer, Native Shrub
324	Shrub - Yellowroot (Xanthorhiza simplicissima)	Sun to Shade, Dry to Moist, Spring, Native Shrub
640	Viburnum (Viburnum lantanooides) 'Hobblebush'	Sun to Part Shade, Early Summer, 06" to 12", Native Shrub, Vib
328	Dutchmans Pipe - Vine, Large Leaved (Isotrema macrophylla)	Sun to Shade, Average to Moist, Spring, Native Vine / Liana
333	Fox Grape (Vitis labrusca)	Sun, Average to Moist, Summer, Native Vine / Liana
331	Honeysuckle - Coral, Trumpet Woodbine (Lonicera sempervirens) 'Manifich'	Sun to Part Shade, Average to Moist, Summer, Native Vine / Liana
330	Honeysuckle - Trumpet - Yellow (Lonicera sempervirens) 'John Clayton'	Sun to Part Shade, Average to Moist, Summer, Native Vine / Liana
329	Honeysuckle - Trumpet Woodbine - Red (Lonicera sempervirens) 'Alabama Cri'	Sun to Part Shade, Average to Moist, Summer, Native Vine / Liana
606	Pipevine (Aristolchia macrophylla)	Sun to Part Sun, Early Summer, 12" to 24", Native Vine / Liana, Pipe
332	Thicket-creeper, Virginia-Creeper, Woodbine (Parthenocissus quinquefolia)	Sun to Shade, Dry to Moist, Spring, Native Vine / Liana
325	Trumpet-creeper (Campsis radicans)	Sun to Part Shade, Dry to Moist, Summer, Native Vine / Liana
326	Vasevine, Leather Flower (Clematis viorna)	Part Shade, Moist, Summer, Native Vine / Liana

327	Virginia Virgin's-bower		(Clematis virginiana)		Sun to Part Shade, Average to Moist, Summer, Native Vine / Liana
334	Wisteria - Kentucky		(Wisteria frutescens)	'Blue Moon'	Sun to Part Shade, Average to Moist, Summer, Native Vine / Liana
416	Alumroot		(Heuchera villosa (GITW only))	'Bronze Wave'	Sun to Part Shade, Dry to Average, Summer, Native Wildflower
414	Alumroot - Woodland, Coralbells		(Heuchera americana)		Sun to Shade, Dry to Moist, Summer, Native Wildflower
349	Anemone - Cutleaf		(Anemone multifida)	'Globe'	Sun to Part Shade, Dry to Average, Summer, Native Wildflower
340	Anise Hyssop		(Agastache foeniculum)	'Blue Fortune'	Sun to Part Shade, Dry to Average, Summer, Native Wildflower
386	Aster - Flat-topped, Tall - White		(Doellingeria umbellata)		Sun to Part Shade, Average to Wet, Fall, Native Wildflower
394	Aster - Large Leaved		(Eurybia macrophylla)		Part Shade to Shade, Dry to Average, Summer, Native Wildflower
395	Aster - Schreber's Wood		(Eurybia schreberi)		Part Shade to Shade, Dry to Average, Summer, Native Wildflower
508	Aster - Smooth American		(Symphyotrichum laeve)		Sun to Part Shade, Dry to Average, Fall, Native Wildflower
505	Aster - Stokes'		(Stokesia laevis (GITW only))		Sun to Part Shade, Dry to Average, Summer, Native Wildflower
507	Aster - Wood - Blue		(Symphyotrichum cordifolium)		Part Shade to Shade, Dry to Average, Fall, Native Wildflower
406	Avens - Purple		(Geum triflorum)		Sun, Dry to Average, Summer, Native Wildflower
335	Baneberry - White		(Actaea pachypoda (bare root))	'Doll's-eyes'	Part Shade to Shade, Moist, Spring, Native Wildflower
337	Baneberry - Red		(Actaea rubra (bare root))		Part Shade to Shade, Moist, Spring, Native Wildflower
452	Beardtounge - Husker - Red		(Penstemon digitalis)		Sun to Part Shade, Dry to Average, Summer, Native Wildflower
443	Bee Balm		(Monarda didyma)	'Marshall's Delight'	Sun, Average to Moist, Summer, Native Wildflower
527	Bellwort - Large Flowered		(Uvularia grandiflora)		Part Shade to Shade, Average to Moist, Spring, Native Wildflower
528	Bellwort - Perfoliate		(Uvularia perfoliata)		Part Shade to Shade, Average to Moist, Spring, Native Wildflower
529	Bellwort - Sessile Leaved		(Uvularia sessilifolia)		Part Shade to Shade, Dry to Average, Spring, Native Wildflower
441	Bishop's Cap - Two-leaved		(Mitella diphylla)		Part Shade to Shade, Average to Moist, Spring, Native Wildflower
478	Black Eyed Susan		(Rudbeckia fulgida)	'Goldsturm'	Sun, Dry to Moist, Summer, Native Wildflower, AKA Gloriosa Daisy
479	Black Eyed Susan		(Rudbeckia fulgida)	'Little Gold Star'	Sun, Dry to Moist, Summer, Native Wildflower
428	Blazing Star - Gayfeather - Blue		(Liatris spicata)	'Kobold Original'	Sun, Average to Moist, Summer, 18" to 24", Native Wildflower, Lia

Filtered by All Plants Sorted by Type of Plant

427	Blazing Star - Northern	(Liatris novae-angliae var. novae-angliae)	Sun, Dry to Average, Summer, Native Wildflower
429	Blazing Star - Spike	(Liatris spicata var. spicata)	Sun to Part Shade, Average to Moist, Fall, Native Wildflower
484	Blood-root	(Sanguinaria canadensis)	Part Shade to Shade, Average to Moist, Spring, Native Wildflower
486	Blood-root - Double Flowering	(Sanguinaria canadensis 'Multiplex')	Part Shade to Shade, Average to Moist, Spring, Native Wildflower
485	Blood-root Flowering - Pink	(Sanguinaria canadensis - pink form)	Part Shade to Shade, Average to Moist, Spring, Native Wildflower
364	Bluebell - Harebell,	(Campanula rotundifolia) 'Olympica'	Sun to Part Shade, Dry to Average, Summer, Native Wildflower
344	Bluestar	(Amsonia hubrichtii)	Sun, Average to Moist, Spring, Native Wildflower
345	Bluestar - Eastern	(Amsonia tabernaemontana var. tabernaemontana)	Sun to Part Shade, Average to Moist, Spring, Native Wildflower
391	Boneset - Hyssop Leaved	(Eupatorium hyssopifolium)	Sun, Dry to Average, Summer, Native Wildflower
407	Bowman's Root	(Gillenia trifoliata)	Sun to Part Shade, Dry to Average, Summer, Native Wildflower
336	Bugbane - Black	(Actaea racemosa)	Part Shade to Shade, Dry to Moist, Summer, Native Wildflower
338	Bugbane - Appalachian	(Actaea rubrifolia)	Part Shade to Shade, Average to Moist, Fall, Native Wildflower
367	Bunchberry	(Chamaepericlymenum canadensis)	Part Shade to Shade, Average to Moist, Summer, Native Wildflower
487	Burnet - Canada	(Sanguisorba canadensis)	Part Shade to Shade, Average to Moist, Summer, Native Wildflower
494	Cinquefoil - Three Toothed	(Sibbaldiopsis tridentata)	Sun, Dry to Average, Spring, Native Wildflower
366	Cohosh - Blue	(Caulophyllum thalictroides)	Part Shade to Shade, Average to Moist, Spring, Native Wildflower
365	Cohosh - Northern Blue	(Caulophyllum giganteum)	Part Shade to Shade, Average to Moist, Spring, Native Wildflower
421	Common Goldstar	(Hypoxis hirsuta)	Sun to Part Shade, Dry to Moist, Spring, Native Wildflower
504	Common Ladies' Tresses	(Spiranthes cernua v. odorata)	Sun to Part Shade, Average to Wet, Fall, Native Wildflower
480	Coneflower - Black Eyed Susan - Orange	(Rudbeckia fulgida var. fulgida)	Sun, Average to Moist, Summer, Native Wildflower
481	Coneflower - Cutleaf, Tall Coneflower	(Rudbeckia laciniata)	Sun to Part Shade, Average, Summer, Native Wildflower
482	Coneflower - Three-lobed	(Rudbeckia triloba)	Sun to Part Shade, Dry to Moist, Summer, Native Wildflower
415	Coralbells	(Heuchera) 'Obsidian'	Sun to Shade, Dry to Moist, Summer, Native Wildflower

525	Wakerobin - Sweet		(Trillium vaseyi)		Part Shade, Moist, Spring, Native Wildflower
517	Whippoorwill Flower		(Trillium cuneatum)		Part Shade, Moist, Spring, Native Wildflower
420	Wild Live-forever		(Hylotelephium telephoides)		Sun, Dry to Average, Fall, Native Wildflower

Garden Club of Norfolk Plant List

Filtered by All Plants Sorted by Type of Plant

Instructions for Garden Worksheets

The above filtered report might include plants currently used in ACE gardens as well as Native and other plants not yet used in ACE gardens. An ACE garden may include Native plants and/or any other plants.

Use plant list to identify existing plants using three digit ID # shown in first column of List. Light, Moisture, Bloom time, Height, Color, and Type characteristics on file will be picked up automatically.

To complete missing worksheet information on existing plants, select codes from those listed below and indicate if plant is Native or Non-native.

When adding a new plant, AT LEAST provide a COMMON NAME, BOTANICAL NAME, CULTIVAR NAME, and as many characteristics as you know. Also include comments to handle exceptions. The system will assign a new ID # for others to use in the future.

Every plant should ultimately have one of each of the following characteristics.

Light	Moisture	Bloom Time	Height	Color	Plant type
L-2 Part Shade	M-2 Average	B-2 Early Summer	H-2 06" & under	C-2 Black	T-2 Annual
L-3 Part Shade to Shade	M-3 Average to Moist	B-3 Fall	H-3 06" to 12"	C-3 Blue	T-3 Annual herb
L-4 Part Sun	M-4 Average to Wet	B-4 Late Summer	H-4 06" to 24"	C-4 Crimson	T-4 Biennial
L-5 Part Sun to Shade	M-5 Dry	B-5 Non-blooming	H-5 12" to 24"	C-5 Golden	T-5 Fern
L-6 Shade/Part Shade	M-6 Dry to Average	B-6 Spr.Sum.	H-6 12" to 36"	C-6 Gray	T-6 Grass / Sedge
L-7 Sun	M-7 Dry to Moist	B-7 Spr.Sum.Fall	H-7 18" to 24"	C-7 Light pink	T-7 Ground cover
L-8 Sun to Part Shade	M-8 Dry to Wet	B-8 Spring	H-8 24" to 36"	C-8 Magenta	T-8 Perennial
L-9 Sun to Part Sun	M-9 Moist	B-9 Spring late	H-9 24" to 48"	C-9 Orange	T-9 Perennial Herb
L-10 Sun to Shade	M-10 Moist to Wet	B-10 Sum.Fall	H-10 36"	C-10 Pink	T-10 Shrub
Unknown	Unknown	B-11 Summer	H-11 36" to 48"	C-11 Purple	T-11 Vine / Liana
		Unknown	H-12 48" & over	C-12 Red	T-12 Wildflower
			Unknown	C-13 Silver	Unknown
				C-14 Violet	
				C-15 Warm Pink	
				C-16 White	
				C-17 Yellow
