

Iris, Greek Goddess of the Rainbow RESOURCES

- Massirises.org – Iris Society of Massachusetts (ISM) website (new members and guests always welcome – meetings, garden tours, sales, shows and more – dues are only \$5/household/year!).
- Maineirissociety.org – Maine Iris Society website.
- Irises.org – Website for the American Iris Society (AIS).
- AISRegion1.org – Website for Region 1 of the American Iris Society.
- Joe Pye Weed's Garden (jpwwflowers.com) – a mail order plant nursery in Carlisle, MA, specializing in Siberian irises, species, and interspecies hybrids.
- Aitken's Salmon Creek Garden (flowerfantasy.net) – an iris and orchid nursery in Vancouver, WA that carries iris from several smaller hybridizers (including Lynn and Stephanie Markham), as well as their own hybrids.
- Fieldstone Gardens (fieldstonegardens.com) – a perennial nursery in ME that carries Siberian irises from ME hybridizer Dean Cole.
- Eartheart Gardens (eartheartgardens.com) – a family-owned nursery in South Harpswell, ME, specializing in Japanese and Siberian irises (currently not selling irises, but the website has good information on it).
- Mid-America Garden (mid-america-garden.com) – A large mail-order iris nursery in Salem, OR.

Schreiner's Iris Gardens (schreinersgardens.com) – One of the largest mail-order iris nurseries in the country, in Salem, OR. Display gardens are open to the public during the bloom season (May).
